

At Sam's Club, we want to help you provide opportunities to your students that will enable them to achieve their dreams. We are currently offering a 10-week Internship for high school students. This internship will give students valuable work experience in the retail industry with emphasis on customer service skills, technology-enabled services, and interpersonal relationship skills. In addition to working during the program, the associate will have access to many benefits at Sam's Club, including associate discounts, financial well-being resources, and access to our Live Better University education options. Live Better U is our partnership with Guild Education that allows your students to work for Sam's Club while enjoying no-cost college tuition to several universities where they can earn a degree of their choosing in 30+ fields.

When will it take place?

- Selected students would start the 10-week internship program to start on a Monday between [May 20th –June 24th].

How will it work?

- Please see the promotional attachments for the specifics of the program.
 - \$18/hour pay, company paid tuition/books and fees, great benefits, networking, and exposure to business world programs
 - Students will need a committed work availability from 16-30 hours/week
- The attached brochure is great to post and share with your students and parents on your school social media platforms. We can also provide text for your parent newsletters and email blasts.

Sam's Club has offered this program since 2021. Most students stay with us after completing their internship. Many credit Live Better U, compensation, and our culture as reasons for continuing their careers with us.

If you are interested in taking advantage of this internship program for your students, you can reach me via email or at (479) 236-3753; or they can apply directly to one of the links provided below. I look forward to helping your students create a bright future. If you know of someone who may be interested in working at Sam's Club in any capacity, please let me know and I can provide application information for other positions as well. We are always looking for great hourly associates and salaried management positions at several locations.
